Failure to attend a required compliance class for a violation(s) within thirty (30) days of invoice date, or earliest class available, all access to BMLS Services is subject to suspension until the compliance class has been completed.

## SECTION 8: Hearing Procedures

### How it Works

Generally, a complaint is filed against a participant, and staff makes a preliminary determination of whether it has any merit. Identification of the complaint may initially take the form of automated "data checking" of the BMLS database. If the staff finds the complaint has merit, the participant will be assessed a letter of warning to be held on their account for one year, requirement of the Compliance class and the fine amount as stated in the Rule. The participant either satisfies the disciplines imposed or requests a hearing. If the hearing panel determines that a violation did not occur, then the participant is no longer required to satisfy the disciplines imposed. If the hearing panel determines a violation did occur the discipline either stands or can be decreased at the hearing Panels discretion. The participant may then appeal to the MLS Board of Directors. If the Board of Directors overturns the decision of the Hearing

Panel, the imposed disciplines would be removed. If the Board of Directors upholds the decision of the Hearing Panel, the discipline stands. The decision of the Board of Directors is final and there is no further appeal process available through BMLS or the Association.

Note: If a participant fails to follow these guidelines or to submit a request for hearing or appeal within the times specified, the participant forever loses the ability to appeal a fine.

### **Anonymity**

When a complaint is filed through the Compliance Department's data checking software it is automatically treated as anonymous. However, if the complaint is filed through the Conduct Complaint form or via email, the complainant has the option to choose whether or not they will be anonymous. If they choose anonymity their name and any identifying information will be redacted from the documents when the final packet is provided to the respondent. To ensure the privacy of the respondent, any complaint filed anonymously will remain private within the organization and details will only be available to the Respondent, their broker, attorney or any party they deem appropriate. Anonymous complainants will not be provided updates on the status of their complaint or the hearing process.

### **Payment or Hearing Request**

Within 20 calendar days after effective notice of a violation, the respondent must either:

- a. Pay the entire fine, or
- b. Make written request for a hearing on the complaint.

A request for a hearing may take any of the forms permitted for, and its effective date is determined by the same means as for, a notice of violation. A respondent's request for a hearing must include:

1. a statement indicating the reason(s) for requesting a hearing
2. a Request for MLS Hearing Form,
3. a Hearing Panel Challenge Form,
4. a Disclosure of Witness and Legal Counsel Form
5. proof of correction where applicable;
6. copies of any relevant documents;
7. a deposit of fifty percent of the assessed fine (not to exceed \$500). The deposit will be returned if the respondent prevails in the hearing;

If the request is submitted without all of the required documentation, the respondent shall have 15 days from the date they are informed of the missing documents in order to complete their hearing request. Failure to provide all documentation as outlined above will result in a \$500 fine.

If in the judgment of the BMLS staff the respondent's hearing request shows the respondent's compliance with all rules and regulations and that the fine was erroneous, BMLS will return the deposit of the assessed fine to the respondent and close the file. In all other cases, staff will schedule a hearing panel.

### **Hearing Process**

The compliance hearing process shall follow the Professional Standards hearing process to the extent feasible as outlined in the Realtor® Code of Ethics and Arbitration Manual.

## SECTION 9: Hearing Appeal Procedure

### **Appeal to MLS Board of Directors**

Within 20 days after the panel's decision, the respondent may give notice demanding appeal of the hearing panel's determination that the respondent has violated the rules and regulations to the MLS Board of Directors. Any such appeal shall be conducted in accordance with procedures provided in the Code of Ethics and Arbitration Manual for the National Association of REALTORS® except where this procedures document or other policies adopted by BMLS provide otherwise.

All appeals must be in writing and must be accompanied by a deposit in the sum of \$500. In cases where a single appeal is filed jointly by more than one party, only one filing fee may be assessed. The appeal should clearly indicate the bases on which the Hearing Panel's decision and/or recommendation for discipline is being challenged—

- (1) misapplication or misinterpretation of BMLS Rules, Regulations, Compliance Guidelines or Bylaws;
- (2) procedural deficiency or any lack of procedural due process;
- (3) the discipline recommended by the Hearing Panel—and set forth in reasonable detail the facts and evidence to support the bases cited.

The complainant may appeal based only on alleged procedural deficiencies or other lack of procedural due process that may have deprived him of the opportunity for a full and fair hearing.
