

## Our impact is focused

**We have assisted** a mother who struggled to transport her child with Cerebral Palsy, Autism, brain damage and seizures. Her vehicle had a leaky roof, engine problems, bald tires, a loose driver's seat and no lift for her wheelchair-bound child. The Broward Realtors® Charitable Foundation Trustees were able to purchase a pre-owned van equipped for wheelchair access making everyday life accessible & safer for this family.

**We have assisted** a young man who suffered a life-changing injury due to a car accident. He requested assistance to obtain a new wheelchair as he had outgrown his.

**We have assisted** a family whose infant child had a medical condition requiring a cranial helmet.

## Our responsibility

The Broward Realtors® Charitable Foundation Trustees are charged with being responsible stewards of the funds and donations that are generously entrusted to us. The Realtor® members, Affiliates, Community Partners and neighbors who contribute to our successes through fundraising are counting on us. They trust us.
