FOUNDATION

REALTORS®
BROWARD | PALM BEACHES | ST. LUCIE

If you or any member of the Broward Palm Beaches & St. Lucie Realtors® is facing economic hardship, please reach out to the Realtors® Pay It Forward Foundation & request assistance.

Who We Are

The Foundation was established to help provide financial assistance to association members in good standing, and their immediate families who are in economic distress. Through the Foundation, our Members can do their part & “Pay It Forward” by helping other Realtors® during a very difficult time in their lives.

How Does It Work?

To apply, simply fill out the application at Rworld.com under ‘Community’. Once you submit the application, it’s then reviewed by the Trustees of the Foundation. The applicant will then be contacted for an interview and, upon completion of the request, application will be confidentially submitted to Trustee Board for approval.

How Are We Funded?

The Foundation is a Not for Profit Corp. and is supported by donations from our members, businesses, and the public. Funds are raised through fundraising events, checking the donate box on dues, and charitable acts of kindness. Some applicants don’t request monetary assistance. They may need services or medical supplies. The Foundation reaches out to all its members, the public, as well as local businesses and suppliers.

How Can Brokers Help?

Identify members that need help and refer them to the Community/Foundation Page at Rworld.com to complete and submit an application. Refer the member to other resources available for assistance, such as county assistance programs. Advise the member that their request is confidential.
